

8-Device Portable AC Charging Case for Laptops, Tablets, Chromebooks and any other chargeable equipment - Vertical

- **Charges 8 AC Devices** including laptops, tablets, Chromebooks, smartphones, POS, PDAs, VR headsets, scanners and e-readers up to 14" in vertical compartments
- **Built Tough** to the same construction as a heavy-duty toolcase, it supports and protects up to 55lbs / 25kgs of equipment
- **Flexible & Adaptable** with soft, padded internal dividers that can be adjusted or removed to accommodate any equipment
- **Compact Enough to Travel Anywhere** fitting within TSA carry-on regulations for international and domestic flights
- **Supplied with Accessories** such as the handy telescopic cart for transporting, two combination padlocks and a steel anchor kit for security
- **Affordable** with a price tag to suit any budget
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

1.

Robust wheels on telescopic transport cart make travelling across indoor and outdoor surfaces easier, reducing a lot of the bumps along the way and keeping equipment safe inside the case.

2.

Flexible cable management pockets in front power compartment easily store AC adaptors and excess cable to keep everything organised.

3.

Two heavy-duty combination padlocks are supplied to secure the main device storage compartment and front electrical compartment separately.

4.

Devices are stored in felt-lined device compartment between adjustable dividers. Vertical dividers, manufactured with a strong plastic core and padded with soft felt material to protect equipment. Removable dividers can be adjusted to suit the equipment inside or completely removed for open storage charging.

5.

Well placed air vents allow ventilation, so no fan is required and devices charge in silence.

6.

Constructed to the same specification as rolling tool cases, from durable 600D ballistic weave material with high-rigidity plastic internal core, YKK zippers, heavy duty nylon strapping, nickel plated ventilator eyelets, reinforced kick plate and base for extra strength

7.

Riveted portholes feed cables from separate power compartment to main device storage compartment

8.

Flexible cable management pockets in front power compartment easily store AC adaptors and excess cable to keep everything organized

9.

Built-in anchor point with supplied steel cable and combination lock allows the bag to be locked down in any location

10.

Simultaneous charging of all 8 devices to ensure devices are fully charged as fast as possible

	Code	Number of devices can hold	Unit Dimensions	Device Compartment Size
Go2 Case	GO2/USA	8	without cart W500 x D350 x H420 mm 19.7" x 13.8" x 16.5" with cart W500 x D390 x H455 mm 19.7" x 15.4" x 17.9"	W400 x D320 x T30 mm 15.7" x 12.6" x 1.2"

IMPORTANT NOTE: CHECK ACTUAL DEVICE SIZE, INCLUDING POWER CABLE FOR COMPATIBILITY WITH DEVICE COMPARTMENT SIZE. IF IN DOUBT PLEASE CONTACT LAPCABBY FOR CONFIRMATION

Materials	Flame retardent internal and external fabric, heavy duty zips, powder coated steel cart, heavy duty nylon strapping, nickel plated steel vents
Finishes / colors	LapCabby loves a splash of color! Carts can be personalized to match school colors, differentiate carts for different subjects or grades or just for fun! Classrooms are colorful - why put up with a black or grey square box? Blue available for Go2 Case
